REGISTRATIONS

Building D

OPENING CEREMONY
Plenary Owen Lewis
Auditorium Q Maathai

S01 1/3 Traits and functions in the tropics	S02 1/3 Dry tropical woodlands in Africa	S03 Gene flow in the tropics	S04 Tropical freshwater microhabitats
--	---	--	---

COFFEE BREAK AND POSTERS

S01 2/3 Traits and functions in the tropics	S02 2/3 Dry tropical woodlands in Africa	S05 1/2 Species delineation in the tropics	S06 Tropical forest modelling
--	---	---	---

WELCOME RECEPTION

Building D

Auditorium D03 Aké Assi	Auditorium D02 Fossey	Auditorium D07 Wilson	Auditorium D08 Clark
----------------------------	--------------------------	--------------------------	-------------------------

Plenary Noeline Raondry Rakotoarisoa
Auditorium Q Maathai

S07 1/3 Tropical biodiversity for development	S02 3/3 Dry tropical woodlands	S01 3/3 Traits and functions in the tropics	S05 2/2 Species delineation in the tropics
--	---	--	---

COFFEE BREAK AND POSTERS

S07 2/3 Tropical biodiversity for development	S08 1/2 Savanna ecology and functioning	S09 1/2 The mangrove biodiversity enigma	S10 1/2 Forests in space and time
--	--	---	--

LUNCH BREAK

S07 3/3 Tropical biodiversity for development	S08 2/2 Savanna ecology and functioning	S09 2/2 The mangrove biodiversity enigma	S10 2/2 Forests in space and time
--	--	---	--

COFFEE BREAK

POSTERS SESSION
Building D

PUBLIC LECTURE
Can industrial logging and nature conservation be allies in Central Africa?
Auditorium Q Maathai

Auditorium D03 Aké Assi	Auditorium D02 Fossey	Auditorium D07 Wilson	Auditorium D08 Clark
----------------------------	--------------------------	--------------------------	-------------------------

Plenary Serge Planes
Auditorium Q Maathai

S11 1/3 Fragmentation genetics and biodiversity	S12 1/2 Large vertebrates in a changing world	S13 Riparian ecosystems in tropical drylands	S14 1/2 Coral reefs at risk
--	--	--	--

COFFEE BREAK AND POSTERS

S11 2/3 Fragmentation genetics and biodiversity	S12 2/2 Large vertebrates in a changing world	S15 Food production and biodiversity conservation	S14 2/2
--	--	---	-------------------

LUNCH BREAK

FREE AFTERNOON - GUIDED TOURS
Botanic Garden Meise
Royal Museum for central Africa Tervuren
Natural History Museum Brussels

Departure from Building D

Auditorium D03 Aké Assi	Auditorium D02 Fossey	Auditorium D07 Wilson	Auditorium D08 Clark
----------------------------	--------------------------	--------------------------	-------------------------

Plenary Lydie Dupont
Auditorium Q Maathai

S16 1/2 Palaeoecology of tropical ecosystems	S17 1/4 Complete Altitudinal Rainforest Transects	S11 3/3 Fragmentation genetics and biodiversity	S18 1/2 Tropical forest in a changing climate
---	--	--	--

COFFEE BREAK AND POSTERS

S16 2/2 Palaeoecology of tropical ecosystems	S17 2/4 Complete Altitudinal Rainforest Transects	S19 Seed dispersal	S18 2/2 Tropical forest in a changing climate
---	--	------------------------------	--

LUNCH BREAK

S20 1/3 Integrative tropical ecosystems dynamics	S17 3/4 Complete Altitudinal Rainforest Transects	S21 1/2 Human-modified tropical forests
---	--	--

COFFEE BREAK AND POSTERS

S20 2/3 Integrative tropical ecosystems dynamics	S17 4/4 Complete Altitudinal Rainforest Transects	S21 2/2	S22 Legacy specimens, future goals
---	--	-------------------	--

GTÖ MEMBERSHIP ASSEMBLY

VISIT OF BRLU HERBARIUM

CONFERENCE DINNER PARTY
VUB Restaurant

Auditorium D03 Aké Assi	Auditorium D02 Fossey	Auditorium D07 Wilson	Auditorium D08 Clark
----------------------------	--------------------------	--------------------------	-------------------------

Plenary Helene Muller-Landau
Auditorium Q Maathai

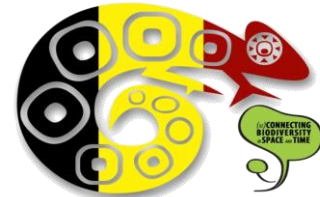

S23 Economic valuation, certification, conservation	S24 Including lianas in vegetation models	S25 Arthropod ecology and conservation	S20 3/3
---	---	--	-------------------

COFFEE BREAK AND POSTERS

CLOSING CEREMONY
MERIAN AWARDS
Auditorium Q Maathai

LUNCH BREAK

W01 Spatial ecology and Biogeography	W02 How to publish a Biodiversity Data Paper in tropical Ecology?	W03 What makes your CV stand out when you stay or leave academia?
Auditorium D02 Fossey	Computers room E1	Auditorium D03 Aké Assi

Auditorium D03 Aké Assi	Auditorium D02 Fossey	Auditorium D07 Wilson	Auditorium D08 Clark
